

# Naming Opportunities

| Gift Value | Area  | Status                      |
|------------|---|-----------------------------|
| \$250,000  | <b>Day Shelter:</b> A 900-square-foot day shelter, nearly twice the size of the current shelter. Homeless men, women, and children will be welcomed indoors year-round to escape the elements, rest, and work towards housing.  | Available                   |
| \$250,000  | <b>Kitchen:</b> A 400-square-foot commercial kitchen will feature new appliances and more workspace to prepare 30,000+ meals each year.   | Available                   |
| \$100,000  | <b>Medical Clinic:</b> A modern, fully-equipped doctor's office that will enable expanded hours and medical services.   | Available                   |
| \$100,000  | <b>Food Pantry:</b> A 900-square-foot grocery receiving and distribution room with a client waiting area and partner agency outreach station. Soup Kitchen meals will be distributed here as well. Outside of food distributions the space will be used to host job training, job fairs, educational workshops, and other events. | Available                   |
| \$100,000  | <b>Lobby:</b> This space welcome donors and volunteers, as well as guests seeking shelter, employment assistance, medical care, and other services. This space includes an accessible restroom and is open to the public.   | Available                   |
| \$50,000   | <b>Reception + Client Services Office:</b> This is the heart of the building, where donations are received and clients pick up supplies, make appointments, check in to the shelter, sign up to shower and do laundry, and receive help accessing other services.   | Atlantic Chartibale Fund    |
| \$50,000   | <b>Health Access Center:</b> A waiting room for patient check in; when the clinic is closed, a private space for mental health case workers to meet clients for intakes, assessments, and meetings.   | Dr. Thomas & Bethel Shields |
| \$50,000   | <b>Supply Room:</b> A 300-square-foot supply room - three times the size of the current supply room - will have space for coats and boots in all sizes, hygiene items, blankets, and other essentials.  | Norway Savings Bank         |

| Gift Value | Area  | Status                     |
|------------|---|----------------------------|
| \$50,000   | <b>Employment Center:</b> Staff assists clients at these professional workstations to build resumes and complete job applications.  | Androscoggin Bank          |
| \$50,000   | <b>Director's Office:</b> A private office for the Center's director provides a secure and focused environment that is important for confidentiality, concentration, private meetings, administrative work, and professional leadership.  | Phyllis Vail               |
| \$50,000   | <b>Partner Services Office 1:</b> A private room where partner agencies can offer mental health, substance misuse, and other intervention services on site  | Maine Community Bank       |
| \$50,000   | <b>Partner Services Office 2:</b> A private room where partner agencies can offer mental health, substance misuse, and other intervention services on site  | Available                  |
| \$25,000   | <b>Shower:</b> The lack of a shower at the existing Center prevents us from providing a basic hygiene measure that many of us take for granted.   | Available                  |
| \$25,000   | <b>Walk-in Refrigerator:</b> An efficient walk-in refrigerator increases the amount of food that can be received, stored, and distributed.  | Available                  |
| \$25,000   | <b>Walk-in Freezer:</b> An efficient walk-in freezer replaces the Center's current menagerie of 7 aging freezers tucked into every corner of the basement.  | Available                  |
| \$25,000   | <b>Laundry:</b> From rain-soaked blankets to soiled clothing, access to laundry for both guests' possessions and the Center's donation room is long overdue. An unmet need in downtown Lewiston.  | Available                  |
| \$25,000   | <b>Breakroom:</b> This shared space will provide our hard-working staff and volunteers with a private and rejuvenating space to help reduce burnout and improve well-being and connection.  | Marnie and Brian DuBois    |
| \$25,000   | <b>Food Storage Room:</b> Easily-accessible long-term storage space for 2 chest freezers and 7 pallets of nonperishable goods and kitchen supplies, fueling both the Food Pantry and Soup Kitchen.  | Available                  |
| \$25,000   | <b>Breakfast Bar:</b> A countertop with upper and lower cabinets and two sinks, located in the Day Shelter. Coffee, fruit, and pastries will be served here to our homeless guests each morning. Outside of breakfast hours it will be a place where our guests can fill water canteens and microwave food. | Richard C and Jean J. Reed |
